**ProjectWise Consulting Secures Funding to Fuel Expansion Efforts**

[Wausau, WI— October 23, 2024] — ProjectWise Consulting, a leading project management firm, is excited to announce it has secured a \$150,000 loan from the Hmong Wisconsin Chamber of Commerce earlier this year. In a significant boost to its growth strategy, the firm has also received approval for partial loan forgiveness, allowing it to accelerate its expansion initiatives.

The funding will play a crucial role in enhancing ProjectWise Consulting's project management training programs and in recruiting additional consultants to meet the increasing demand for its services. This strategic investment not only underscores the firm's commitment to excellence in project management but also strengthens its capacity to deliver innovative solutions to clients.

"We are thrilled to receive this support from the Hmong Wisconsin Chamber of Commerce," said Mary Thao, President & Founder of ProjectWise Consulting. "This funding will enable us to improve our training programs and expand our team, ensuring we continue to meet the diverse needs of our clients effectively."

ProjectWise Consulting has been at the forefront of project management excellence, helping organizations navigate complex projects with confidence and efficiency. The firm's training programs are designed to equip professionals with the skills necessary to succeed in today's fast-paced business environment.

As ProjectWise Consulting embarks on this new chapter, it remains dedicated to its mission of empowering businesses through exceptional project management practices.
